YOUTH ROBLOX DAY

Roblox is a free online gaming platform, popular amongst children where they can play games and socially interact with friends. Our kids are likely active Roblox users, but do they know about safety and awareness as an online user?

On **Saturday, May 23** from **4PM to 7PM**, youth—**ages 8-18**—are invited to participate in this event. We'll learn safety measures and practices, so that our children can navigate the digital environment with more vigilance. We'll play popular Roblox games followed by a small devotional for the kids.

Dinner will be provided. If you would like to donate drinks, see contact information below.

This event is hosted by Hunter Xiong. If you have any questions or if your child is interested, please send a text to 559-515-9834.
