### YOUTH ROBLOX DAY

Roblox is a free online gaming platform, popular amongst children where they can play games and socially interact with friends. Our kids are likely active Roblox users, but do they know about safety and awareness as an online user? On **Saturday, May 23** from **4PM to 7PM**, youth—**ages 8-18**—are invited to participate in this event. We will learn safety measures and practices, so that our children can navigate the digital environment with more vigilance.

We will play popular Roblox games followed by a small devotional for the kids. Dinner will be provided. **We request that the kids bring their own devices to play. If your child needs a device, please contact Hunter Xiong.** If you have any questions or if your child is interested, please send a text to Hunter at **559-515-9834**.

### 2026 GRADUATES
